Careers Discovery Resource
Teacher Guide **(Ages 11-14)**

The Great British School Trip
HYUNDAI

Journeys & Adventures

Programme overview

The Great British School Trip supports young people to access school trip opportunities, igniting curiosity and raising aspirations.

This year, we're inspiring pupils to discover the world of work as they explore venues across the UK. Use this resource to **make every trip a careers trip**.

The resource

With the **Great British School Trip Careers Discovery Resource**, transform your trip into a careers trip. Simply print the themed resource relevant to your venue and hand to students to complete on the trip.

Programme themes

The Great British School Trip runs across **4 themes**, with content and cross-curricular links for pupils aged 7-14. This guide covers the theme of **Journeys & Adventures** with activities for **ages 11-14**.

Resources & Preparation

- Learning objectives and curriculum links
- Four themed GBST Careers Resource Worksheets and Competition Entry Form
- GBST Teacher Toolkit for trip planning information

The competition

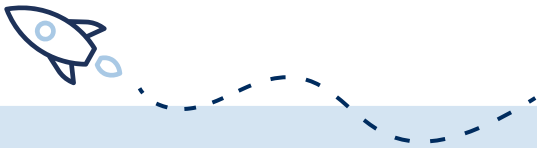
Taking inspiration from their trip, students can enter a national competition to win an in-school workshop, travel vouchers and more!

Theme	Curriculum area	Focus
Breakthroughs & Discoveries	STEM & History	'Investigating the moments of genius that have enabled humanity to progress'
Imagination & Curiosity	English & the Arts	'Exploring the power of imagination and how it can be harnessed to change the world'
People & the Planet	Science & Geography	'Empowering young people to play an active role in creating a sustainable future'
Journeys & Adventures	PSHE & Skills Development	'Celebrating the broadening of horizons and stepping outside of your comfort zone'

Learning Objectives

- To deepen subject knowledge and develop cross-curricular links whilst exploring the venue
- To discover a range of careers both within the venue or linked to the venue, therefore increasing career aspirations
- To design innovative solutions for the future which will address emerging societal needs or challenges

How to use this resource



Before the trip

Identify the theme of the venue. Print one themed GBST Careers Resource including the Competition Entry Form for each student.

On your day out

Students work through the GBST Careers Resource as they explore the venue.

Enter the competition

Students complete the Competition Entry Form during or after the trip. Find competition details below.

Imagine My Future competition

A school trip can be the first step on a journey to a future career. That's why, this year, we're asking students to take inspiration from their trip to design an innovative piece of technology required for success in a futuristic job.

They'll need to consider the wider impacts their design will have on people, society or the environment.

Further information and success criteria can be found on the competition form at the end of this document.

To enter, please return all entries by **Wednesday June 18th 2025** via:

Post: We are Futures, Great British School Trip,1 Paris Garden, London, SE1 8ND

Email: teachers@greatbritishschooltrip.com

Prizes include an in-school workshop, £450 coach travel vouchers and activity kits!

Full terms and conditions can be found here.

Curriculum links

ENGLAND	SCOTLAND	WALES	NORTHERN IRELAND
Gatsby Benchmarks	**Career education standard**	**Curriculum for wales: career and work-related ed (CWRE)**	**Learning for life and work (LLW)**
2. Learning from LMI (including impact of technology) 4. Linking curriculum learning to careers 5. Encounters with employers and employees	Demonstrate and apply the skills I have learnt across the curriculum in relation to the world of work Identify my interests, strengths and skills Relate relevant learning experiences to the labour market	Explore opportunities through a variety of meaningful experiences in learning, work and entrepreneurship Develop their digital confidence related to the world of work	Describe different types of work Investigate how technology is affecting life and work

Journeys & Adventures

Step outside your comfort zone as you embark on an exciting outdoor adventure! Follow in the footsteps of explorers and discover the rewarding careers that can be found within this tough terrain. **Complete the activities** on your journey through this environment and challenge yourself to be bold and brave.

Discover your venue

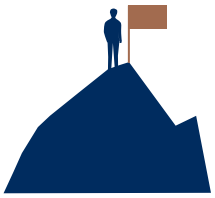
Today I'm visiting: _____

Familiarise yourself with your surroundings before completing the boxes below:

One thing I'm excited to do here:

One thing that looks difficult here:

One skill I will need today:



I will be successful today if I do this:

Survival Kit Bag
Draw or describe the essential items someone should pack for success in this environment:

Include a piece of technology in your survival kit.

Journeys & Adventures

Career discovery

1. Job hunt challenge. Find three interesting jobs at this venue or connected to it, and write them on the badges below:

Job title:

Job title:

Job title:

2. Pick the job you find the most interesting at the venue.

Complete the job badge below:

Job title: _____

Draw the person or job here:

Main duties & responsibilities:

-
-
-
-

Skills & qualifications required:

- E.g teamwork
-
-
-

Imagine your future

Imagine you've time travelled to 2065. You've gone on holiday to a harsh and challenging environment. Write a series of social media posts which cover the following on your trip:

Can you incorporate technologies such as AI, virtual reality, robotics?

1. How you got there. This could include new ways to travel.

2. What it is like there, including challenges you are facing.

3. Which skills, people or technologies are helping you overcome challenges.

Careers Discovery Competition Entry Form **(Ages 11-14)**

Imagine My Future competition

Competition challenge:

Think ahead to the year 2050... You are working in a new and exciting career (one that doesn't even exist yet!) You're at the top of your game, making huge progress within your field.

Design an **innovative piece of technology** that will be vital for your success in this role. Describe what it does and the positive impact it will have on people, the environment or the whole planet.

Competition success criteria:

- ☐ Creative job role
- ☐ Original gadget design
- ☐ Positive impact of gadget

Prizes

Find full T&Cs here.

- 1x in-school immersive workshop with In2action
- 1 of 4x £450 school trip travel vouchers with First Travel Solutions
- 2x career inspiring activity kits

The venue I visited that inspired me:

A job or person that inspired me:

My future job title:

Description of job role:

Draw your future self at work. Label your drawing with extra information.
